

FANCY FEET DANCE STUDIO 2014-2015

INTRODUCTION TO THE PERFORMANCE GROUP FOR AGES 5-6

Introduction/Invitation

This program is introduced every other year to our Fancy Feet families who have been with us for at least ONE full year of dance including participating in the recital, and is by invitation from Emily only.

The Program, Rehearsals, & Performances

This program has been developed to start out our youngest dancers in the Performance Group and give them a chance to see what our program is all about. The Performance Group was created 22 years ago to give passionate dancers additional performance opportunities within our community other than the year-end recital. In this introduction program, you and your child will have a chance to see if dancing and performing throughout the year is something that you truly love and are ready for. Additional rehearsals will be held once every 6-8 weeks on a weekend day, and the additional performances will include a fall community event, the holiday show in December, and a spring community event. Since this age group is not always ready to perform without assistance, we provide a gradual introduction to the process with a positive and fun start to performing. Many of our students continue this program all the way through high school.

Requirements

- 2 classes per week (One will be the Intro to P-Group class) and the other is your choice.
- 1 rehearsal every 6-8 weeks on a weekend
- 3 additional performances listed above in addition to Recital

If you have received this application, you are being invited into the Intro to Performance Group. If you wish to participate, please email Emily:
