

Fancy Feet Dance Studio

Company & Senior Company

2015-2016

Company and Senior Company provide an opportunity for skilled and technically proficient dancers, who are already in the Performance Group, to take their commitment to the next level. It is a decision to make dance their main focus. Companies will have a heavier performance schedule and an enhanced curriculum including conventions, master classes, and possible professional opportunities. These dancers should be motivated to intensify their dance experience for personal growth and challenge, or may have an interest in preparing themselves for opportunities in the professional world of dance.

Company dancers will be required to take classes recommended by the director to ensure their technical advancement, and then may select their own elective dance classes. Company will receive the benefit of the training and hands-on guidance of our qualified and diverse staff.

Company dancers will be given the opportunities to work in Master Class settings with top dance and entertainment industry professionals.

Companies will have additional mandatory master classes held on weekends (to be charged separately), will be required to attend a weekly class on Wednesdays at either 5:30pm or 6:30pm (as part of their required curriculum), and will be attending dance conventions. The Wednesday classes will include guest teachers, as well as provide rehearsal time for pieces, culminating in a Company Showcase.

Senior Company members will have a minimum of 6 chosen classes, which they are required to take. These classes have been selected to focus on achieving each dancer's full potential. We will recommend these classes as your first priority and will guide you if you wish to add more to your schedule.
