

Fancy Feet Dance Studio

Junior, Senior, and Senior Elite Company

2016-2017

Company provides an opportunity for skilled, technically proficient dancers, who are already in the Performance Group, to take their commitment to the next level. It is a decision to make dance their main focus. Company will have a heavier performance schedule and an enhanced curriculum including conventions, master classes, and professional opportunities. These dancers should be motivated to intensify their dance experience for personal growth and challenge. They may also have an interest in preparing themselves for opportunities in the professional world of dance.

Company dancers will be required to take a minimum of six required classes to ensure their technical advancement. They may then select their own elective dance classes. These classes have been selected to focus on achieving each dancer's full potential. We will recommend these classes as your first priority and will guide you if you wish to add more classes to your schedule.

This year within the Senior Company classes, dancers will be given the opportunity to have occasional Master Classes with top dance and entertainment industry professionals and will also work with revolving Fancy Feet staff members on a variety of pieces and to strengthen technique.

NEW 2016-2017: Junior Company

Junior Company candidates will be selected after instructors review fall session progress, schedules, attendance, behavior, and discuss growth from the summer and previous year. Evaluations will also occur with various instructors during the fall session within classes. Students aspiring to be in Junior Company will need to be in a minimum of two ballet classes weekly.

Name: _____

Invited to participate in: **SENIOR COMPANY**

SENIOR COMPANY ELITE

Junior Company invitations will go out in December for Winter Session
