

Fancy Feet Performance Group 2023-2024

About The Performance Group

The Performance Group was established 31 years ago to provide an opportunity for spirited and passionate dancers to perform in various events throughout the school year. These performances are largely community and charity-based events, and are focused on bringing our community together. Dancers begin as a group in the fall, and work together for the entire school year. It is important that each dancer and family understand that the Performance Group functions as a team. Choreography is set around the students within their age levels. When students are not present, it affects the entire team. Consistent attendance in class and positive attitudes are essential in order to participate. Eligibility of this group include studying at Fancy Feet for two years prior to consideration, and a minimum of 4 Summer Intensive workshops over July and August. This provides a continuous study of dance through the summer, and provides a starting base of dances to utilize in performances, while they continue to learn new material throughout the dance year. Scheduled rehearsals must be considered a priority as a Performance Group member. There are no make-ups and students will be removed from the material that they miss. Admission to the Performance Group is not automatic, and is at the sole discretion of Emily Kay Tillman.

Performance Group Class Requirements for 2023-2024

Ages Divisions: 6-9, 9-11, 11-14, 14-18

14-18	4 classes per week	P-Group class + Ballet + Modern + Jazz

*Modern may include contemporary styles *Ballet/Contemporary Class will cover ballet requirement

High School and Graduating Senior Policy

On some occasions, a new teen student with the proper foundation may be allowed into Performance Group. It is important that all teen P-Group members understand that special graduation dance recognition and privileges are reserved for graduating seniors who have remained consistent in the program throughout all of high school.

Ballet/Modern Requirement

Our most successful dancers throughout the years have all had one thing in common; the consistent study of ballet and modern dance. These disciplines build strength, technique, coordination and balance, which ensure proper foundation in all other forms of dance. Since the Performance Group is intended for students who are serious about dance, the study of ballet and modern dance is a requirement. Therefore, we offer a variety of classes, which will fulfill this requirement. Ballet is always recommended.

Performance Group Registration ~ \$300.00 per student

(Includes Performance Group annual uniform, casual performance attire including 3 tees, Performance Group Sweatshirt, and any weekend rehearsals)

*NOTE: This fee is separate from the Performance Group Class.
