

Fancy Feet Dance Studio 2023-2024

Junior Company, Senior Company & Company Elite

Junior & Senior Company

Junior and Senior Company provides an opportunity for skilled and technically proficient dancers who are already in the Performance Group to take their commitment to the next level. When the combined teaching faculty notices that a student has chosen to make dance their main focus, showing us consistency in training and growth, combined with commitment and work ethic, then Company becomes the next level of training at Fancy Feet. The training and exposure which Fancy Feet's Company provides can prepare dancers for opportunities in the professional world of dance. Even more, life lessons are built through hard work, discipline and excellence that can be carried forward in all aspects of adult life.

Company has a weekly class, and will also have Guest-Master-Class Teachers. The class itself will focus on growing an additional performance repertoire of pieces for performance opportunities. Both Junior and Senior Company will attend convention together in the Spring of 2024.

Requirement Minimum: 6 technical classes for consistent growth and progress. Company is currently only open for continuing dancers from 2022-2023, or by invitation only.

Company Elite

New this year, Fancy Feet will be selecting no more than 10 students for a new program where students will attend 3 dance conventions throughout fall, winter and spring. Each convention will focus on a particular area within the competition portion; either in solo, duet or trio work, and also in small group work, and finally larger group piece work.

Company Elite will be for the student who has time to prioritize dance rehearsal and can study a minimum of 8 hours weekly, along with additional rehearsals. Dance should be a main area of focus, and pieces will be created for these dancers which will involve extra hours and costs both in convention and in the creating of these pieces. In addition, Company will participate in a special group performance in the Spring. There is not a formal ELITE class to be taken, however there will be an invitation sent within the first two weeks of fall class, and then planning sessions will be scheduled to calendar all of the extra events.
